The End of Summer Brings with It Something New!

Dear Hendersonville Saints,

Did you know that Summer officially ends on September 22, 2021?

Many people believe that we are nearing the end of Summer, or it has already ended because school has started for our kids, teachers, and school administration and staff, and the wet weather is causing temperatures to drop ever so slightly. But in all reality, we have most of a month left of Summer! Yahoo!

As exciting as that sounds, as summer comes to an end, it catapults us into something new...a new season. And with that new season come new things:

Pumpkin spiced everything...

Maple flavored goodies...

Colors changing on the trees...

No more white pants after Labor Day...

The same is true with the Church. As we head into September, we are celebrating the new things God has blessed us with during our Grand Re-Opening! We are thanking God for our new Contemporary Worship Leader, Kate Hurley, who is doing a wonderful job leading the music for the 9:00 am service. Kate lives north of Asheville by 15 minutes. That means to be here on Sunday morning for practice and worship, she drives about an hour each way. We are so glad to have her, and to know that she loves our community so much, that she is willing to make the drive!

We are thanking God for our Choir being back in the loft and for the Chimes leading us in worship! They are so wonderful and draw us deeper into the presence of God. We are also thankful for such amazing leadership provided by Gayle Stepp and Karen Grady!

We are thankful for almost 60 people signed up for our new Discipleship Group Initiative which kicks off this month. Small Groups are such a great place to build relationships, study scripture and to be challenged to apply what you are learning. We are also thankful for the 10 new facilitators who will be leading those groups.

We are thankful for the old and new Sunday Morning Classes which are now underway. Thank you, Lord, for all our facilitators and teachers!

We are thankful for the new elders and deacons who our Nominating Committee is prayerfully seeking. Even now, God is moving in such a way as to nudge his chosen leaders and prepare them to say yes to the Nominating Committee.

We are thankful for our new members! What a joy it is to know that God has such amazing plans for His Church here in Hendersonville, that He is bringing new members to our church family and preparing us for growth and intentional ministry within this community.

We are thankful for all the people who are joining us online. Did you know that through the software we use, we can see where people are joining us from around the world on Sunday morning? We have two people who join us each Sunday morning from as far away as Paris, France! We have friends of mine who tune in from Africa each week. We have people worshipping with us in Florida, Colorado, Michigan, New York, Texas, and even as far as Asheville! What a blessing it is to know that we are connecting as the church across all those miles! Thank you, Jesus, for the good use of this technology.

There are so many things to be thankful for here at HPC! God is working within our church... Keep your eyes open for what God might be doing right under your nose!

Just wait! The NEW THINGS will continue to come as we move toward Advent and into 2022. The elders and I are super excited to see what God has for us next!

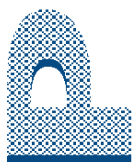

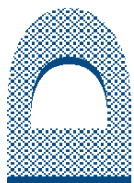

Have a great 22 days of Summer and prepare yourself for more NEW THINGS ahead!

Yours in Christ,

Pastor Rob

A Global Movement of Evangelical Presbyterian Churches

Session Highlights, August 16, 2021

The complete minutes of session meetings are posted on the Session Bulletin Board in the Fellowship Hall as soon as they are approved.

Eleven Session members, Pastor Rob, and Deacon Carolyn Baker met on Zoom for our August meeting. John Van Wagoner opened our meeting with prayer. Carol Baker, our Deacon representative, gave an inspiring devotional, highlighting the many and varied responsibilities of our Deacons and emphasized how they can be salt and light to everyone that they serve.

Clay Haskin, representing the now inactive Covid Task Force, led a discussion on the efficacy of reinstating the Task Force right now with the rise in Covid cases in Henderson County. After discussion the consensus was to take no action yet but to remain vigilant should it become necessary to do so in the future.

Due to the generosity of our congregation, the funds are near completion for our new minibus. The exact date of its arrival has not been announced, but we are grateful to all who have worked hard to make this possibility a reality.

The Session enthusiastically approved the following members of the search committee for Assistant Pastor for Youth and Family Ministries: Betty Muller, Laura Morris, Robert Burns, Marjorie Sherrill, John Van Wagoner, and Julia Everson. Their work will begin shortly.

Worship Ministry asked Session for approval to have only one service on October 17, 2021 for Kirkin of the Tartans along with cancellation of Adult Classes for that morning. The Session approved the request unanimously.

The Session is still seeking a leader and assistant for Children's Ministry. If you feel called to this ministry either in the short term or permanently, please speak with Pastor Rob.

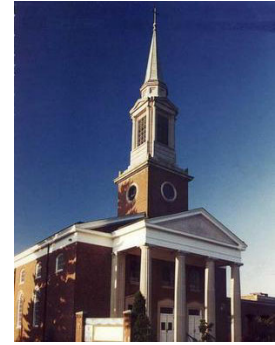

Discipleship announced that forty-four children have been enrolled in Creative Beginnings for the fall. Also sign-up for small discipleship groups has begun. Everyone is encouraged to participate.

Personnel Ministry announced that Peter Sul has received his Employee Recognition Award for Five Years of faithful service to this congregation. He was honored at a small staff luncheon of pizza and cake.

Andy and Laura Morris were elected Commissioners to the upcoming Presbytery meeting on September 24-25 in Huntersville, NC.

Bus Fund Campaign Update

Our campaign to match the \$40,000 challenge gift for a new church bus has been wondrously fulfilled! And in only one month! Our Administrative Committee has researched numerous possible vehicles and has chosen a new 15-passenger bus that may be available for our use by October. The selected bus will cost a bit less than the \$80,000 we raised, so any remaining funds will be reserved for additional van needs, such as insurance and future maintenance.

September Shoebox Focus

Our September focus is on small toys for children of all ages—the “WOW” items that will light up the child's eyes as he or she opens the shoebox. Small tools like measuring tapes, hammers, screw drivers, and paint brushes make great gifts for the older boys. As the summer ends, you may also find deals on sunglasses, flip-flops and t-shirts of all sizes. Remember, NO company/product or military-type logos please, but colorful shirts are great.

OCC partners with God and Samaritan's Purse to spread love and the Good News of Jesus to children around the world. *If we don't do something, they hear nothing.*

CHURCH BAZAAR and Teacup Raffle

The OCC mini-Rummage sale will be held on Saturday, October 9, and the Teacup Raffle (items committed prior to Covid) drawing will occur that day also. Tickets are \$1.00 each or six for \$5, thirteen for \$10, and thirty for \$20. They will be available from one of our OCC committee members in Fellowship Hall before and after both services on Sundays.

Volunteers are needed for the Rummage sale. A sign-up sheet will be at the office.

- Set up for the sale will occur Thursday & Friday, October 7th & 8th beginning at 9 AM. Volunteers will get first chance to purchase items during set up day.
- Volunteers are also needed the day of the Sale. Even a couple of hours would be very much appreciated.

Thank you for your continued support.

One of the verses of the hymn Amazing Grace reads:

“The Lord has promised good to me, His Word my hope secures; He will my shield and portion be, As long as life endures.”

With faith, we know that God is always with us, wants the best for us, and will shield us from many of the dangers we encounter.

But there are times in everyone's life that we do not feel His hope or the peace and joy He wants us to experience. It may be hard for you to feel that hope when you have lost a dear family member or friend, have received an unexpected diagnosis, or are contemplating divorce or another life-changing event. It may be hard for you to experience joy and peace in the midst of the daily news about Haiti and Afghanistan, floods and fires, or family issues that mean major adjustments in your life.

Stephen Ministry was developed to help you in just these types of situations. We meet with you one-on-one, listen to your concerns and guide you as you delve into God's plan for you, all with utmost attention to confidentiality.

We could be called the “After People.” Stephen Ministers are there to help you AFTER a crisis or the unexpected has happened in your life and you need someone with whom you can talk it out, someone who can help you find hope and joy again with God's help.

If you would like to talk with someone about Stephen Ministry, please call the church office or Caryl Mobley at 828-891-9709.

Creative Beginnings

We had a wonderful workday on our playground on Thursday, August 12. We have a beautiful hedge of arborvitae along the fence line and four planter boxes for our classes to plant vegetables and flowers when our fall session begins. We had grateful parents, board members and staff that showed up to plant some love on the playground for our children. We hope to continue transforming our playground into “nature” classrooms as we take more of our learning outdoors.

Fall Session for Creative Beginnings will begin on Monday, August 30th. We are so excited that we were able to open all of our classrooms this year! There is still limited availability in our preschool if you know a family who would like to enroll their children.

We still need loving adults who would like to be added to our teacher substitute list. If you enjoy working with children and teaching the Word of God, please give us a call. Substitutes are called on an "as needed" basis. Requirements are: Must be 18 years of age; have a high school diploma or GED; a criminal background check; and a negative TB test. All applicants must attend a small workshop for policies and procedures of the preschool. Please call Michele Revis, the director of Creative Beginnings if you or someone you know, is interested. 828-708-3966.

Please pray for the staff, children and families of Creative Beginnings that we will have a safe, healthy, and prosperous school year.

Blessings,
Michele

The King will reply, 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.'

Children & Youth & Families

Children's Ministry Kickoff!

On Sunday morning 9/23 at 11am, Children's Ministry started the school year off with fun, games, worship, and the Bible. We hope that your children Pre-K-4th grade will join us in the Rec Room on the coming Sundays.

Parents, as your kids head to the Rec Room, we will need you to sign them in and fill out an updated Release Form for each of your children. By signing them in each week, we will be able to easily contact you in case of an emergency. The Release Form allows us to be aware of any allergies and other important information. You can print out from the website and fill in the form in advance, if that is helpful.

Sign up now for Discipleship Groups running from 9/5-12/19. Groups will be studying passages from the Book of Matthew. Look for a group that meets at the time and location that works for you.

Family Potluck & Bonfire

All families are invited to the Sherrill's on August 29 for a potluck and bonfire at 5pm. Bring a side to share. We will have s'mores fixings and a main entree.

LIBRARY NEWS

Jeani's Jottings

The Library reopened to positive reviews in August during Fellowship times. The relocated children and youth areas are the most widely used so far, followed closely by the Fiction section....which is making all those books in the non-fiction area very sad indeed! Imagine them sitting on the shelves, all 89 categories, filled with a wealth of knowledge; and their ministry as books going untapped and under-utilized.

Did you ever consider that our library shelves are a ministry waiting to happen in your life? They can serve as a source of knowledge, encouragement or insight, and want to influence you in your walk with the Lord. Just as we have a desire to serve, the written words in our library can expound on your Bible reading to address personal concerns, spiritual growth and understanding.

One such book for me is sitting in the Christian Living category, read about thirty years ago, with foundational insights that influence me to this day. The author is Robert S. McGee. Maybe you can find it on the shelf and give it a look!

We would like to know which books on our shelves have ministered to you in such a way. We will pull them and give them a spotlight so they can minister to others!

a blessing!*

MISSIONARY CARE COMMITTEE

REV. DR. DONALD AND
DR. MARTHA WEHMEYER

THE ANTIOCH PARTNERS

MEXICO AND USA

The National Presbyterian Church of Mexico asked Rev. Dr. Donald Wehmeyer and Dr. Martha Wehmeyer to serve as missionaries in Merida, Yucatan, Mexico in 1991. We began partnering with them in 1995. Don brought Presbyterianism to the people of the area by traveling widely to preach, teach, and conduct seminars. He specialized in the areas of "Spiritual Formation" and "Contemplative Spiritual Life Practices." Don has also been a diligent writer for the denomination, as well as the local newspaper. In addition, he teaches classes at San Pablo Presbyterian Seminary.

Dr. Martha has offered free medical services from her home and been a translator for many of Don's books. She also shares her personal hobby of quilting as a ministry. The Wehmeyers have raised a family who now have families of their own and are spread across the US and Mexico. Since the PCUSA left Mexico, Don and Martha have been connected to the Antioch Partners Organization.

Don has had a deep concern for the local pastors and was inspired to meet some of the needs of the pastors by creating a retreat center called the Gethsemane Retreat Center. It is now a fully functioning center and offers retreats, workshops, and accommodations for visiting mission teams. Another evidence of Don's concern developed when he joined with two other pastors to create a pastoral care committee. It has become the ARAP: Assoc. Reformed for Pastoral Support. They bring in pastors to the retreat center or conduct workshops online.

Another ministry that Don worked on has become official and is called The Missionary Society of the Presbyterian Church in Mexico. This organization has organized the process for people who want to become missionaries to Mexico and beyond. This was an exciting development because as it was being formulated The General Assembly in Mexico had requests for missionaries to go to Paraguay, Columbia, Bolivia, Peru and Ecuador.

Don has been a busy traveler over the years going across Central and South America to Presbyterian Churches teaching both Bible Studies and Presbyterian Theology. In addition he has joined the Miami International Theological Seminary to teach many classes across South America. Recently he was in Bogota, Columbia visiting a seminary to establish several new diploma programs with this denomination.

The Covid Pandemic was very hard on the churches and in his report a year ago they had already lost 12 pastors. He has had to resort to calling on his parishioners by phone. This past July he went with another pastor to Cartagena, Columbia to teach Pentecostal pastors and leaders. They were enthusiastically received with requests to return soon. Don was impressed with the zeal of these pastors who have never had any formal instruction in any area of theology.

The Wehmeyers request prayer for their work.

Designated Fund for Missionary Care and Local Missions

These two funds were established in September 2013 to replace the no longer available, long-standing Lovett Fund. The only source of monies now for missionary transportation costs for Table Talks or to preach; shortfalls; or special needs not covered by the church's annual Benevolence support, is from the Missionary Care Designated Fund. When Henderson County organizations our church supports through Local Missions are in need of extra monies for their support, the only source is the Local Missions Designated Fund.

This is a reminder that, should you want to give to either of these accounts, please write your check to the church and on the bottom state either "For Missionary Care DF" or "For Local Missions DF." Both committees thank you.

The Great Commission

After His resurrection Jesus commanded his disciples as recorded in Matthew 28:18-20:

And Jesus came and said to them, "All authority in heaven and on earth has been given to me. Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age."

RETURN SERVICE REQUESTED

The NEW Discipleship Groups Initiative is here!

As we celebrate our grand re-opening, we are also kicking off our new Discipleship Groups! These are small groups with up-to 12 participants in each group. All of the groups will be studying the same specific passages from the Book of Matthew, as to encourage discussion and growth together as the Church. Discipleship groups will run from the beginning of September through December 19, meeting weekly. They will not meet during the week of Thanksgiving.

If you would like to sign up, you can do so in multiple ways! You can sign up in the Fellowship Hall any Sunday morning. You can call the church office to register. Or you can go to the church webpage and click on the "GROW" tab on the top of the page. Discipleship groups is the first section under the GROW tab. If you are using the website, you can contact the facilitator (their contact information is on that page) and let them know you are interested in their group; or you can just pick a date, location and time that works for you from the list and show up to the group that meets then. It is that easy!

We hope you will join us for this amazing growth opportunity!
