

Let All Things Now Living

Let all things now living
A song of thanksgiving
To God the Creator
Triumphantly raise
Who fashioned and made us
Protected and stayed us
Who still guides us and leads us
To the end of our days
His banners are o'er us
His light goes before us
A pillar of fire
Shining forth in the night
'Til shadows have vanished
And darkness is banished
As forward we travel
From light into light

His law He enforces
The stars in their courses
The sun in its orbit obediently shine
The hills and the mountains
The rivers and fountains
The deeps of the ocean
Proclaim Him divine
We too should be voicing
Our love and rejoicing
With glad adoration
A song let us raise
'Til all things now living
Unite in thanksgiving
To God in the highest
Hosanna and praise

Guide Me, O Thou Great Jehovah

Guide me O Thou great Jehovah
Pilgrim through this barren land
I am weak but Thou art mighty
Hold me with Thy pow'rful hand
Bread of heaven Bread of heaven
Feed me now till I won't no more
Feed me now till I won't no more

Open now the crystal fountain
Whence the healing stream doth flow
Let the fire and cloudy pillar
Lead me all my journey through
Strong Deliv'rer strong Deliv'rer
Be Thou still my strength and shield
Be Thou still my strength and shield

When I tread the verge of Jordan
Bid my anxious fears subside
Death of death and hell's destruction
Land me safe on Canaan's side
Songs of praises songs of praises
I will ever give to Thee
I will ever give to Thee
