

**Sunday, March 17, 2024 – Sabbath 5**

Open in Prayer:

Lord Jesus, thank you for giving me a day of rest. May I be filled with a desire to worship you today, and rest in the beauty of your creation. Quiet my heart with your love and help me to hear you rejoicing over me with singing. May I feel your presence today in a deep and abiding way! Amen.

Take today to worship and rest. Glorify God and Enjoy Him today!
