

Lyndsey Goss

Lyndsey loves creating art projects and exploring different avenues of learning. While working as the Teacher's Assistant with the 2 year old class, she finds her imagination and creativity come to life. She loves story time with the kids and the opportunity to help them discover the world around them through books. It brings her joy to witness the students' individual personalities grow and flourish within the classroom.

She strives to share the Love of God through her actions and words each day to plant seeds for future relationships with Christ within the hearts of her students. As a mom of two, she enjoys adventuring in nature and gardening.
