

Krystina Hill

Krystina fell in love with Creative Beginnings Preschool when her children attended. She is now the lead teacher in the 2's class and loves to see her students making new discoveries. Her teaching passions are art and science, and she loves to provide her students with hands-on experiences. Her relationship with God allows her to teach her students how much Jesus loves each one of them.

Krystina enjoys spending time fishing and camping with her family. She also enjoys a good puzzle!
