

Carolyn Christianson
3s Class Teacher Assistant

Carolyn has been a teaching assistant for three-year-olds for over 10 years. Three is her favorite age because they are so curious, funny, and innocent. She wants every child to know that when they walk into her classroom they are loved. When Carolyn is not in the classroom, she can be found crafting, quilting or in her garden. She is a mother of two children, Grandmother of two little ones and Great Grandmother for two tiny ones.
