

Nadia Oviedo

Assistant Teacher 4's

Nadia Oviedo has worked for WCCS Early Head Start for twenty years, where she gained valuable experience working with young children and supporting their early development.

She is a proud mother of three children, and she enjoys spending quality time with her family. One of her favorite things to do is go on vacation with her children and create special memories together.

Nadia is very excited to begin this new chapter at Creative Beginnings, where she has the opportunity to work with preschoolers. She looks forward to sharing her experience, learning new things, and helping young children grow, learn, and feel loved and supported.
