

**Anna Hawthorne**  
*Preschool Assistant*

Anna is our Preschool Assistant. As a substitute teacher here at Creative Beginnings she has loved watching our student's minds work and grow. She also enjoys doing art and science activities with the kids to explore their creativeness.

Anna enjoys the outdoors. She goes to events and activities happening around Hendersonville with her husband and son (who is a graduate of Creative Beginnings). A favorite family trip for her and her son is a weekly trip to visit the library or a used book store.
