

Rachael Petty
Assistant Teacher 2's

Rachael Petty is so excited to be joining the Terrific Two's classroom alongside Ms. Lyndsey! For the past two years, she has had the opportunity to work as a substitute teacher at the preschool, and is thrilled to now be part of the classroom in a permanent role.

CBCP is especially meaningful to her and her family because both of her young children have been part of the program. They both started their preschool journey in the Two's classroom. Rachel absolutely loves this age because two-year-olds are full of energy, curiosity, and wonder as they discover the world around them in a whole new way.

With a Bachelor's degree in Fine Arts, and a Master's degree in Entrepreneurship and Innovative Leadership from Western Carolina University, Rachel loves bringing her creative background into the classroom through art, play, and hands-on learning experiences. Outside of the classroom, she enjoys gardening, DIY projects, and coaching youth softball. She also runs a small bakery business from her home! She feels so fortunate to be joining the Two's classroom and looks forward to getting to know each child and family, creating a classroom where our Terrific Two's can learn, create, and have lots of fun!
