Summer Art Program

This is a 2-week program offered Monday through Friday 8:45am -11:45am designed to spend time exploring the arts with our preschoolers. We will learn about music, poetry, drawing, sculpting, and painting. Each child will tap into their own creativity while learning about the great works of art from history. At the end of our program, we have an art show for the kids to show you all their creative efforts.

We will be spending our day exploring with paints, clay, and glue and with great creativity we often have great big messes. Please dress your child in clothing that can get messy and may get stained.

It is summer and the sun can be quite bright on the playground. Please apply any sunscreen at home as we cannot apply it at school.

We paint, run, and play in the dirt so please dress your child in close-toed shoes. **No open-toed shoes or flip flops** are allowed at school.

If the child's problems are so significant that the child is disruptive to the learning or welfare of other children, the parent/guardian will be asked to seek a more appropriate learning environment for the child.
