

**Larry McCreary**  
*Facilities Manager of HPC*

Larry is a resident of Buncombe County where he has lived most of his life. After college Larry started working for Metrolina Greenhouses as a regional and district manager managing multiple teams in multiple states. After twenty years with Metrolina Greenhouses, Larry started his own cleaning and property maintenance company in Asheville.

Larry is married to his wife Leslie and they have two children. Larry enjoys spending time with his family, working with others, and spending as much time as possible at the beach.
