

Leslie McCreary, Bookkeeper

Leslie was born and raised in Buncombe County and loves having the views of the mountains in her sight every day! Leslie started her career working in non-profit accounting with a school foundation until she was asked to come work at a historic church in downtown Asheville. She never looked back!

She has many years of church finance experience and loves being able to apply her talents in a church setting. She currently provides the accounting services to multiple churches and stays very busy and challenged.

She is married to her husband Larry, and they have two sweet kids, Mattie Grace and Liam. Leslie enjoys spending time with her family, traveling, eating good food and the beach!

She is happy to be working with the staff and church family of Hendersonville Presbyterian Church.
