

Reverend Charles Reed, Assistant Pastor

Rev. Charles Reed grew up in nearby Greenville, SC and attended Georgia Tech. He studied chemical engineering and was an oarsman on the rowing team. After college he moved to Wilmington, NC and joined St. Andrews-Covenant Presbyterian Church. There he met and married his wife Brandea. It was also during his time in Wilmington that the Lord called him to ministry.

After studying at Columbia Seminary in Decatur, GA, the Reed's went to serve a small congregation in the Allegheny Mountains of Virginia. During their 12 years there they walked through life with the church and local community, sharing baptisms, counseling, preschool programs, funerals, weddings, and more.

In 2020, the Lord led them back to the western North Carolina area to be closer to family, and to begin a new season of ministry.

Charles and Brandea have four children: Andrew, Peter, Caleb, and Abigail. As a family they enjoy animals, sports, and time together outdoors.

Pastor Charles and his family are very thankful for their church home at HPC, and they are excited to share life with all youth and families. Reading the Bible changed his life, and he wants you to read it too!

His life verse is Philippians 4:13, and his bonus verse is Leviticus 13:40. (Look these up!)
